

Lex Machina's award-winning *Legal Analytics* platform allows outside counsel and in-house attorneys to predict the behavior of courts, judges, lawyers, law firms, and parties.

Over three quarters of Am Law 100 firms and some of the largest global corporations use *Legal Analytics* to supplement traditional legal research and reasoning with previously unavailable strategic insights that give them a winning edge.

The Delaware Court of Chancery is widely recognized as the nation's preeminent forum for resolving corporate and contractual disputes. Now, *Legal Analytics* is available for the Delaware Court of Chancery.

The Winning Edge

Legal Analytics provides data-driven insights and trends for case resolutions, damages, and rulings. Our case set includes civil actions before the Delaware Court of Chancery, which principally consist of complex corporate and commercial cases. Lex Machina has basic and enhanced data for cases filed since October 26, 2012, when comprehensive electronic records for the court became available.

Lex Machina helps you answer questions such as:

- How many Summary Judgment rulings has judicial officer Sam Glasscock III presided over?
- Which law firms have had the most experience with representing defendants in Breach of Fiduciary Duty cases?
- How many Breach of Contract cases were filed in 2017?
- What are the chances of a case terminating on Judgment on the Pleadings in Trade Secret / IP cases?
